1. Our Contact Details

Our full name and address is set out in your terms and conditions.

To exercise your rights in relation to your personal information, please email admin@corgihomeheat.co.uk

You can write to our Data Protection Officer (DPO) at: **Data Protection Officer, CORGI HomeHeat, 1 Masterton Park, South Castle Drive, Dunfermline, Fife, KY11 8NX**

If you have any data protection complaints, you're able to contact the Information Commissioner's Office (ICO) (www.ico.org.uk). We'd like to try and help with any concerns you may have before you contact the ICO, so please get in touch with us in the first instance.

2. Why do we have a privacy policy?

We'll collect certain personal information from you when you use our website, write to us or call.

The purpose of our privacy policy is to let you know:

- how and why we collect your personal information;
- how we use and disclose your personal information (and to whom);
- how we protect your personal information; and
- your legal rights and how the law protects you.

3. Changes to our privacy policy

If we make any changes to our privacy policy, we'll post changes on our website. If they're major changes, then we'll write to you to let you know.

4. Dealing with your personal information

4.1 Collecting your personal information

What will we collect?

We collect certain personal information from you, which is any information which might identify you. It does not include data where the identity has been removed (anonymous data).

The information we collect includes:

- **Contact data** (your name, age, email address, postal address, phone number, and any other relevant information we need in order to contact or identify you);
- **Financial data** (your bank account and payment details relating to products and services you receive from CORGI HomeHeat);
- **Technical data** (internet protocol (IP) address, your login data (if we've supplied login data to you), browser type and version, browser plug-in types and versions, operating system and platform and other technology on the devices you use to access our website. We track technical data by using cookies - see section 4 below for more details on cookies);
- **Usage data** (information about how you use our website, products and services);
- **Marketing and communications data** (your preferences in receiving marketing from us and our third parties and your communication preferences); and
- **Special categories of data** (health and financial vulnerability data, if applicable, to allow us to provide priority service).

We also use aggregated data, in order to improve our operations and ensure we are providing you with the best service possible. All aggregated data is anonymised and doesn't reveal your identity.

It's really important that the personal data we hold about you is up to date so please let us know if your personal data changes at any time.

4.1 Collecting your personal information, continued

When will we collect it?

We (and our agents) collect certain personal information from and about you during your sign-up journey and when you get in contact with us or use our website or as part of providing our services to you.

We may also monitor and record any communications we have with you, including phone calls and emails, to make sure we are providing an excellent service to our customers.

4.2 Using your personal information

We'll only use your personal information where we're allowed to by law. Generally, this will be under one or more of the following circumstances:

- to perform our contract we have or will have with you;
- it's necessary for us to run our business and give you the best possible service;
- where we need to comply with a legal or regulatory obligation; and/or
- for marketing purposes where you have agreed to us using your personal data, see the "Marketing Information" section below for more information.

For more detail on how we use your personal information see the table at section 6 of this privacy policy.

Contacting you

We'll contact you by the method we've agreed with you in accordance with our client agreement and insurance policy wording. *Marketing information*

When you provide your personal information to us, we'll give you the chance to choose whether you'd be happy for CORGI HomeHeat and the OVO group members (CORGI HomePlan Ltd, OVO Energy Ltd and VCharge UK Ltd) to contact you with marketing information. If you choose to be contacted, we may use your identity, contact, usage and profiled data to tell you about exciting new products and services from Corgi HomeHeat and our related businesses in the wider OVO group (or they may contact you directly) including for up to 12 months after you've left Corgi HomeHeat.

The OVO group includes VCharge UK Ltd, OVO Energy Ltd (trading as OVO Energy, Lumo and Boost), CORGI HomePlan Ltd and CORGI HomeHeat Ltd. We (and our agents or related companies) will use your personal information for marketing purposes only if you've told us we can.

If you decide you want to change or opt-out of receiving marketing communications you can contact us via the addresses shown in Section 1.

Please note: This won't affect any marketing information we have sent you before we've received and processed your marketing preferences.

We'll contact you to remind you that you can update your preferences for receiving marketing information, or if you haven't told us what your preferences are, we might get in touch to find out. If you ask us to delete your details, we'll keep them on our 'Do Not Contact' register to make sure we do not contact you in the future.

4.3 Disclosing your personal information

We may allow the following types of organisations to use personal information we hold about you for the purposes set out in section 6 below, including:

- **service providers** who provide engineering services, industry data collection and aggregation, IT and system administration services;
- **marketing agencies** to provide you with information about our products and services or other products and services which may be of interest to you (provided you've given your consent) and to help manage any reward or loyalty schemes;
- **price comparison sites** which might take your details where you decide to request a quote or switch to us through that site;
- **debt collection agencies;**
- **professional advisers** such as lawyers, bankers, auditors and insurers who provide consultancy, banking, legal, insurance and accounting services; and
- **regulators and other authorities** based in the UK who we need to report to about what we're doing with your personal data in certain circumstances;

Our third parties who only process data on our behalf won't use your personal data for their own purposes and we only permit them to use it in accordance with our instructions and the law.

Disclosing information outside the EU

Sometimes the organisations listed above may be outside the European Economic Area (EEA), so we may pass your personal information to countries that do not have the same standards or protection for personal information as the UK. If we, our agents or our service providers do this, we'll always make sure that these organisations adequately secure your personal information.

Priority service or special needs

If we believe that you (or a member of your household) need extra care (for example, because of your age, health, disability or financial circumstances) and we have your explicit consent to do so, we may record and share this information with CORGI HomeHeat Trade Professionals (those who carry out installs, repairs and servicing) to allow us to provide priority service.

Finance counterparties

You may choose to pay for your product(s) by finance, through our finance application service provider (Divido Financial Services Limited) and lending partner (Shawbrook Bank Limited). If you do so, the information you provide will be shared with those companies to support your finance application and assess your suitability for the available finance options. If you would like more information about how Divido and Shawbrook use your data, please consult their websites (please note: these are external sites and are not the responsibility of CORGI HomeHeat): <https://www.divido.com/en/legal/privacy/> and <https://www.shawbrook.co.uk/privacy-notice/>

4.4 Protecting your personal information

We follow strict security procedures to protect your personal information. This includes following certain guidelines (for example, checking your identity when you phone us). We strongly recommend that you do not disclose any CORGI HomeHeat login details (where we have supplied these to you) to anyone.

From time to time, our website may provide hypertext links to sites which are created by individuals and companies outside of CORGI HomeHeat. We do this if the site is relevant to the topic you're reading about. Whilst we always try to check that the content of these sites is suitable, we cannot take any responsibility for the practices of the companies who publish the sites that we link to, or the accuracy or relevance of the content on them.

4.5 How long we'll use your personal information

We'll only retain your personal information for as long as necessary for the reason we collected it, including for any legal requirements we have to comply with.

When deciding on how long to retain your personal information for, we consider the amount, nature, and sensitivity of the personal information, the potential risk of harm from unauthorised use or disclosure of your personal information, the purposes for which we process your personal information and whether we can achieve those purposes through other means, and any applicable legal requirements.

Details of retention periods for different aspects of your personal information are available in our retention policy which you can request by contacting us.

In some circumstances we may anonymise your personal information (so that it can no longer be associated with you) and use this indefinitely, without further notice.

4.6 Your legal rights

You have various rights in relation to your personal information. These rights are as follows:

- **request access to your personal information** - you can request a copy of the personal information we hold on you;
- **request correction of your personal information** - if any personal information we hold on you is incorrect, you can request to have it corrected;
- **request erasure of your personal information** - you can ask us to delete your personal information in certain circumstances;
- **object to processing or restrict processing of your personal information** - you may object to our processing of your personal data in certain circumstances;
- **request the transfer of your personal information** - to provide you, or a third party you have chosen, with your personal information; and
- **withdraw consent where we're relying on consent to process your personal information** - if you withdraw your consent, we may not be able to provide certain products or services to you. We'll advise you if this is the case at the time you withdraw your consent.

To exercise your rights in relation to your personal information, please contact us via the addresses shown in Section 1 Our Contact Details.

You are able to exercise your rights free of charge, but if you make unfounded, repetitive or excessive requests, we may charge you to carry these out or refuse to act on such requests.

We'll try to respond to all requests within one month. If your request is complex or if you make lots of requests, we may extend our time to respond – if this is the case, we'll let you know.

5. CORGI HomeHeat's use of cookies

What are cookies?

A cookie is a piece of information stored in a small file which is sent to and from web pages. They can be used to identify that you've visited websites before and some will be stored on your computer by your web browser.

How does CORGI HomeHeat use cookies?

We use cookies to understand how people use our websites and to help us to make your experience of our websites better.

CORGI HomeHeat's website

We use short-term cookies to recognise your PC as you move around our site and to remember any information you have entered into search boxes for next time you visit us.

Measuring web traffic

We use programs such as Google Analytics to help us find out:

- how many people visit our websites;
- which pages are most popular;
- how long people spend in each area; and
- what information they're searching for.

These insights help us understand how to improve our websites.

Google Analytics uses cookies to collect non-personally identifiable information like:

- browser types;
- operating systems;
- referring sites that sent you to us; and
- the dates and times of a visit.

If you'd like to know more about Google Analytics, visit:

<https://policies.google.com/privacy?hl=en>.

We use cookies to monitor how the website is used so that we can identify what users are interested in and improve the overall user experience. Some of these cookies are set by third party web analytics companies such as Google Analytics.

Cookies are used on our website for 3 purposes:

- Managing the website's functionality and user experience
- Monitoring performance
- Advertising and tracking

Advertising

We use tools to place CORGI HomeHeat ads on other websites you may visit. These tools may set cookies to track the performance of our advertising campaigns and allow us to tailor the advertising you might be interested in.

We use products like Google Ads. These products help us understand what ads work best so we can more effectively promote our products and services to you.

We use Google Adwords Customer Match to help exclude our existing customers from seeing our ads, and to reach similar web users who could also be interested in joining CORGI HomeHeat.

We use Experian to make the content and advertising shown on devices that you might use more relevant and useful. As part of this process Experian uses cookies and receives information about the kind of device you use as well as your IP address.

How can you manage or delete cookies and where can you find further information?

If you don't want us to use cookies in your web browser, you can remove them from your computer or change your browser settings so that it either blocks cookies altogether or asks you if you'd like to accept them from some websites.

Our full list of our cookies can be found below.

However, it's important to remember:

Some of our cookies are essential for our websites to work properly.

The internet industry body, the Internet Advertising Bureau, has set up a website to provide information and advice on cookies, tags and behavioural advertising, you can visit <http://www.youronlinechoices.com/uk/> to find out more about behavioural advertising. Another trusted source which gives information about **how to delete and control cookies** is <http://www.aboutcookies.org/>.
